## SHAUN AROON.

The public should remember that charity begins at home. Prof. Hepburn and the ladies and gentlemen who have been studying and devoting one-half of their time for the past five long weeks, in the preparation of the play, Shaun Aroon, for the benefit of charity should be greeted with an audience more than fill the hall. Mr. Hepburn is a very new comer here. He has made many friends and his work is very satisfactory to himself and this should be a guarantee that this entertainment will be all that could be desired by the public, as he has an experience as a director of dramatic entertainments for the past 15 years. Mr. Hepburn was one season with the Pike Stock Co., Cincinnati, O., one season at the Dearborn Stock, Chicago, and one season with the Thakshuser Co. at Milwaukee, Wis. He has played such parts as Mr. Armstrong, secretary of the U. S. in "The Senator," the Landlord in "Under the Red Robe," the Duke in "The Merchant of Venice," "Claudius" in Hamlet, "The French Prosecutor" in Henry Miller's "Only Way." He lost his voice two years ago and is taking a long rest. He has a large book full of press notices and personal letters open for inspection. However he says the public will need nothing further but to witness the entertainment next Tuesday evening. Mr. Hepburn is looking for a suitable place to build a suitable hall for his work, and he should be encouraged by the people of Edmonton. Mr. Hepburn does not get one cent of the receipts from this entertainment. A social dance will take place after the show and it is hoped that a large attendance will remain to swell the funds. Fifty cents extra for gentlemen, ladies free.

—Prof. Szegedy, violinist, gives an entertainment in Strathcona to-morrow and in Edmonton Monday night.

## THE PATHOS OF A VIOLIN.

From Calgary Herald.  
It is not too much to say that the select audience at the opera house on Friday night was entranced by an unknown virtuoso and his wonderful revelations of the power and pathos of a violin. The unknown was Paul Szegedy, who stepped off the south train a week ago and immediately commenced to make arrangements for giving a concert. Paul was different from most travelling artists. He had no press notices, no "papers," no advance agent—nothing but a violin which he said was worth \$25,000. The programme consisted of 15 pieces, among which were Sarasate's Gypsy song, Wienawsky's Legend, a Berceuse by Joeselyn, two or three old favorites such as Raff's Cavatina, and some "gymnastics" of his own composition. Mr. Szegedy is undoubtedly a great violinist. His playing had such a power over the audience that they were simply spell bound. Mr. Walsh assisted with a couple of songs, and Miss Eschmann played the accompaniments. Efforts are being made to induce Mr. Szegedy to give another concert here.

## WHERE ARE THEY AT?

The Winnipeg board of trade is the most important commercial organization in Western Canada. Its sphere of influence extends from Lake Superior to the Pacific and naturally the subjects which come before its notice are many and varied—so many and so varied that even such an aggregation of competent business men may sometimes forget where they are at. The last annual meeting of the board was held on Feb. 11th. The president's address and the council's report appear in full in the Winnipeg Commercial of the 7th. Naturally both address and report deal with a very great number of very important subjects. In the resolutions passed at the general meetings of the board held on the 19th of December and the 2nd of January, respectively. As these resolutions appear in the report of the council they were evidently both endorsed after mature consideration. Both deal with the railway question but with different phases of it. As they appear in parallel columns in the Commercial they might naturally be expected to support each other, instead of doing so, however, they appear at least to the Bulletin, to be in serious contradiction. The resolution of December is headed, "Defective Transportation Facilities," and details at length the conditions of the wheat blockade in Manitoba and Assiniboia, and states that these losses have occurred "through the instability of the C. P. R. in coping with the grain traffic." In conclusion the resolution "respectfully urges the Dominion government to take such immediate action as should remove the grievous disabilities under which the people of Manitoba and the Territories labor."

The resolution of January is headed "Public aid to Railways," and after reciting the amount of money paid by Canada to secure railway facilities, and after specifically mentioning the proposals of the Grand Trunk and the Canadian Northern railway companies to provide increased railway facilities for the west, the Board resolved to respectfully urge upon the Dominion government and parliament that no money donations or bond guarantees be granted to the Grand Trunk Pacific Railway or the Canadian Northern Railway." The report further states that on the vote been taken, the above, which was an amendment, was carried by a large majority.

On December 19th the Board resolved that the country had suffered great loss because the C. P. R. railway was unable to cope with the traffic and called upon the Dominion government to take such immediate action as would remove the grievous disability. On January 2nd the same board, by a large majority decided to advise the Dominion government not to take the most evident means whereby these grievous disabilities could be removed, namely, by securing the construction of other and competing lines of railway. It would seem that the Board on January 2nd had forgotten the grievous disabilities which pressed so severely upon its mind on the 19th of December. For while specifically instructing the government that no aid must be granted to a railway or railways competing with the C. P. R. and developing country not developed by that company, it did not indicate any other means of removing the present disabilities or securing the further development of the country.

The Winnipeg Board of Trade is an important body in responsible body; its influence extends, as already said, from the Great Lakes to the Pacific; the whole of Manitoba and the Territories are interested in and affected by the expression of its views. Will some kind friend tell us just where the Winnipeg Board of Trade stands on the railway question? Is it more interested in having existing disabilities removed as per its first resolution; or in preventing competition with the C. P. R. as per its second resolution?

## CARNIVAL.

The masquerade carnival under the auspices of the Edmonton Public Hospital was held on Thistle rink, Edmonton last night. There were comparatively few spectators, doubtless on account of the severity of the weather. However those present had the pleasure of witnessing a very successful and interesting carnival. There was a large number of masqueraders on the rink and many of the costumes were very realistic and handsomely got up. The ladies served tea in the gentlemen's waiting room. The part of the evening's entertainment was very well patronized. Throughout the evening the band furnished excellent music which was much appreciated. The prize winners are:

Best lady's costume—Miss Jennie Lander, who represented "The Bat".

## C.P.R. LAND GRANT.

Ottawa, Ontario, Feb. 9.—The government has now under consideration a proposition from the Canadian Pacific railway for the selection of the balance of its land grant of 25,000,000 acres. There are 3,000,000 yet to be allotted. The railway company proposes to take 2,000,000 in the arid belt between Calgary and Medicine Hat, if the balance, 800,000 acres, to be given to the Manitoba and Northwest territories, which reverted to the government when the Manitoba and Northwest territories failed to earn its subsidy. The railway company says that they must have the land in the arid belt on bloc, not alternative sections, as they would require to spend from \$3.50 to \$5 per acre for irrigation. In this way the company says that from \$7,000,000 to \$10,000,000 would have to be expended.

## The Senate.

Mr. E. E. Nagria, M. P., has been appointed to the senate. This will necessitate an election in Blackfoot. Mr. Nagria will be 53 years of age next Feb. 1. He is a successful farmer. In 1881 he was elected to the Quebec assembly and sat until 1890. In 1891 he was elected to the commons and re-elected in 1892. He has since been elected to the place of the late Senator and just elected he defeated A. P. Garro by 507.

THE RENOWNED WESTMINSTER ABBEY CHOIR.  
Glee and Concert Party.

The Coronation Choir Glee and Concert party composed of a number of leading singers and boy sopranos who took part in the Coronation of their Majesty King Edward VII and Queen Alexandra on August 9th will be heard here in a delightful concert programme.

In addition of glee, matrigals and part songs this body of singers is unequalled anywhere for beautiful blending, artistic and beautiful singing. The male alto voices and the boy sopranos supply the places of the female voices with wonderful sweetness, similarity and effect. Mr. Branscombe, the Director of the party and a lay vicar of Westminster Abbey in London, is an acknowledged authority on glee and part singing. He possesses a beautiful tenor voice and is a composer of note. Mr. Herbert Hilton, a baritone, is one of the foremost singers of England and is fast arriving at the top of the scale. Mr. Percy Coward, male alto solo, is a very pure rich contralto notes of a Clara Butt. Mr. Edward Branscombe is an acknowledged authority on part singing in London and is a composer of note. Mr. Herbert Hilton is a remarkable church singer and also conductor of an important choral society. Madame Marie Hooton, the lady vocalist, has a most rich and delightful contralto. Altogether the Choir party is of a most exceptional character and its equal in music will not be heard again in Canada in many long years.

Speaking of the Coronation Glee and Concert party's last appearance in Montreal the "Star" says—

"They gave a delightful programme of English glee and matrigals. The smoothness and beauty of their part singing was most pleasing and the most difficult matrigals were given with an ease and a delivery that were charming to the ear. On this occasion they favoured the audience with a couple of interludes and an anthem sung in Westminster Abbey at the Coronation. The anthem, which was 'Gloria', 'Send out Thy Light' was rendered in a manner quite different from that to which Canadians are accustomed. It was beautiful."

fully shaded and exquisitely sung. The soloists were good especially Messrs. Leyland, Hilton and Coward. Master Forsyth sang a dainty little song by Cowen, and Madame Marie Hooton rendered a number of 800's ballads. Mr. Dudley Couston contributed a humorous musical sketch that caught the house.

The beautiful music of the English Cathedral rendered with a delightful delicacy and sweetness of expression will be illustrated by the Coronation Choir party here in their forthcoming concert at the Edmonton Opera House on Wednesday, Feb. 18th, 1903. The delightful boy sopranos, the remarkable male alto, the fine tenors and baritone give a perfect vocal blending. The male alto solo, for example Mr. Percy Coward, is the very finest exponent of this voice in England. He has the pure rich contralto notes of a Clara Butt. Mr. Edward Branscombe is an acknowledged authority on part singing in London and is a composer of note. Mr. Herbert Hilton is a remarkable church singer and also conductor of an important choral society. Madame Marie Hooton, the lady vocalist, has a most rich and delightful contralto. Altogether the Choir party is of a most exceptional character and its equal in music will not be heard again in Canada in many long years.

They are the choristers of the Coronation Choir from far-famed Westminster Abbey and they all took part in the Coronation of their Majesty, King Edward and Queen Alexandra. The boys are particularly delightful little chaps in their Eton jackets and Westminster school caps. They are said to have the voices of angels and their music is rich and beautiful. Altogether the Choir party is of a most exceptional character and its equal in music will not be heard again in Canada in many long years.

Subscribe for your seats at once as there is only a limited number. Those subscribing now will be entitled to two Extra days for selecting seats previous to being opened to public. Seats on sale at MacKenzie's bookstore after Feb. 1.
